SKILLS & INTERESTS

Skills: I have skills in design, video editing, and coding. I am proficient in using design software such as Adobe Photoshop and Illustrator. I have experience in editing videos using Adobe Premiere Pro. I am also knowledgeable in programming languages such as HTML, CSS, and JavaScript.

Interests: I am passionate about being part of the information technology industry and utilizing my skills to create visually appealing designs and engaging multimedia content. Outside of work, I enjoy exploring new technologies and keeping up with the latest trends in the field.
